LIST OF CONTRACTORS, MAINTENANCE REPAIR WORKERS

The following contractors and maintenance repair workers have asked to be named on this list and will work in Stinson Beach. The Stinson Beach County Water District does not endorse any maintenance worker or contractor and makes no recommendations or referrals.

Prior to hiring any maintenance or repair worker, whether on this list or not, the owner should ensure that the worker has a valid and up-to-date contractor's license for performing work on onsite wastewater disposal systems [General Engineering (A), Plumbing Contractor (C-36), Sanitation System (C-42)], Marin County business license, proof of insurance or contractor's bond, and proof of workers' compensation insurance (if appropriate). Owners can check the worker's status at www2.cslb.ca.gov/OnlineServices/CheckLicense.

The purpose of this list is to assist the property owner in finding a contractor or maintenance repair worker.
