LIST OF WASTEWATER SYSTEM DESIGN CONSULTANTS

The following wastewater system design consultants are familiar with the Rules and Regulations of the Stinson Beach County Water District and have requested to be placed upon this referral list. The District cannot provide recommendations and suggests that District customers check references prior to entering into a contract. The purpose of this list is to assist the property owner in finding a design consultant. Consultants are listed alphabetically. All onsite wastewater disposal systems are required to be designed under the supervision of either a registered Civil Engineer or a registered Environmental Health Specialist.
